## INTRODUCTION

**W**hether we know it or not, each of us lives a life governed by an internalized code of conduct. Some call it morality. Others call it religion. I call it “the Bro Code.”

For centuries men have attempted to follow this code with no universal understanding of what such an arrangement meant: Is it okay to hug a Bro?<sup>\*</sup> If I’m invited to a Bro’s wedding, do I really have to bring a gift?<sup>†</sup> Can I sleep with a Bro’s sister or mother or both?<sup>‡</sup>

Now, for the first time on paper, I have recorded the rules of social decorum that Bros have practiced since the dawn of man . . . if not before. The Bro Code previously existed only as an oral tradition (heh), so I have journeyed the globe to piece

---

\* Never.

† Nope.

‡ Dude. Come on.

---

together and transcribe the scattered fragments of the Bro Code, pausing only to flesh it out myself (double heh). While not intending to write a “Guide to Being a Bro,” if men should treat it as such and pass this compendium of knowledge from one generation to the next, I have little doubt it would bring a tear to my eye. But *not* out of it. That would be a violation of Article 41: A Bro never cries.

It is my hope that, with a better understanding of the Bro Code, Bros the world over can put aside their differences and strengthen the bonds of brotherhood. It is then, and only then, that we might work together as one to accomplish perhaps the most important challenge society faces—getting laid. Before dismissing this pursuit as crass and ignoble, consider this postulate: without the sport inherent in trying to bang chicks, would men willingly have sex for the sole purpose of producing smelly, screaming babies?\*

---

\*Of course not

---

Centuries from now, when a Bro applies the rudiments of the Bro Code to score a three-boobed future chick, the only thanks I'll need is the knowledge that I—in whatever small capacity—Bro'd him out . . . though if he could figure out how to bring me back to life, that would be pretty awesome, too.

—Barney Stinson

## WHAT IS A BRO?

You've probably heard the word "Bro" used liberally at your local bar or gym. Perhaps you've seen it recklessly confused with "dude" or "guy" in an adventure-themed soft-drink commercial. Maybe even you yourself have unwittingly tossed out a "Bro" when asking a stranger for the time. But an important distinction must be drawn: just because a guy is a dude, doesn't mean that dude is a Bro.

Q: *What is a Bro?*

A: A Bro is a person who would give you the shirt off his back when he doesn't want to wear it anymore. A Bro is a person who will bend over backwards to help you bend someone else over backwards. In short, a Bro is a lifelong companion you can trust will always be there for you, unless he's got something else going on.

---

Q: *Who is your Bro?*

A: Your mailman is a Bro, your father was once a Bro, and the boy who mows your lawn represents the Bro of tomorrow, but that doesn't make him *your* Bro. When someone has faithfully upheld one or more of the codes in the Bro Code, then you may consider him your Bro. *Warning:* Exercise caution when bringing home a hot chick—your brother may or may not be your Bro.

Q: *Can only dudes be Bros?*

A: You don't need to be a guy to be somebody's Bro, provided you uphold the moral values contained within this sacred canon. When a woman sets a guy up with her busty friend, she's acting as a Bro. And if she sets him up with other hot friends after he slept with the first one and never called her again, then she's officially his Bro.

---

---

## BROCABULARY

**A**s you thumb through *The Bro Code*, you may come across some words and terms you've never seen before. Many have been boldfaced and placed in the Glossary on page 193 so you can familiarize yourself with the **Bronacular**.

While Bros are always encouraged to spread the truth of the Bro Code, they are also cautioned against overusing "Bro." Such **Broliferation** cheapens the important mission of this book and, nearly as important, makes you sound stupid.

## ORIGIN

**W**hile the story of the Bro Code is not nearly as simple and elegant as God handing down some stone tablets to Broses, its origins weave all the way back to the dawn of humanity.

In the beginning there was no Bro Code . . . which was unfortunate for the world's first Bros—Cain and Abel. Lacking an agreed-upon set of social principles, Cain killed Abel and committed history's first **Broicide**. As punishment Cain was doomed to walk the earth alone. Why? Because without a wingman, he had absolutely no chance to meet chicks.

Centuries later a Bro from Sparta and a Bro from Troy got in a fight over a chick named Helen. I know, “Helen” doesn’t sound hot, but allegedly she had a “face that launched a thousand ships,” so you can just imagine what her rack was like. The two Bros waged a terrible war over this chick—a war that could have been avoided had the Bros been familiar with the most

---

---

basic Bro Code: Bros before ho's. Troy put up a good fight, but the Spartan navy was very powerful. Soon hordes of Spartan seamen burst through the Trojan barrier, and Helen got half the gold for the next eighteen years.

Hundreds of years later, appropriately in Philadelphia (the City of Bro Love), a little known delegate named Barnabas Stinson scratched on parchment what is now considered the earliest attempt to record the Bro Code. Over the years Bros have amended and added rules, but Stinson's elegant words remain as the glorious preamble to the Bro Code.

While the original document is housed two stories beneath sea level in an undisclosed, vacuum-sealed, bullet-proof chamber, I was able to gain access long enough to manufacture this replica.

## The Bro Code

*When in the course of human events it becomes necessary for Bros to settle a dispute, decent respect to the opinions of Bro-kind requires that they should declare the causes which impel them to argue, though prudence says it's probably a chick. We hold these truths to be self-evident, that all Bros are created equal—though not necessarily with the same good looks or sense of style—and that they are endowed with certain inalienable rights, that among these are life, liberty, and the pursuit of tail. To secure these rights, we present the Bro Code. It is the right of Bros to alter or to abolish it, and to institute a new code, but let's face it—that's a lot of work.*

*Be it here resolved that, henceforth, when and if two gentlemen covet the company of the same wench, the Bro who first calleth dibs on said wench shall be entitled sufferance for such time as it takes to reasonably strike out, or the time it takes sand to fill one half of an hourglass, whichever comes first. At no point is it permissible for a Bro to violate this right and codpiece block his Bro, even if he hath consumed copious quantities of ale.*

THE  
BRO  
CODE

## ARTICLE 1

### *Bros before bo's.*

The bond between two men is stronger than the bond between a man and a woman because, on average, men are stronger than women. That's just science

#### DID YOU KNOW ...

Article 1 can trace its genesis all the way back to Genesis. No, not the Peter Gabriel/Phil Collins pop triad, but the biblical book. The discovery of the Dead Sea Scrolls has unearthed a once-lost passage that documents the earliest infringement of the Bro Code.

#### BOOK OF BARNABAS 1:1

*And everything of need was provided in the Garden. Fruit, water, companionship. But one day, Adam came upon a naked chick, Eve, and desired her olive leaf. And so Adam wenteth behind an apple tree to know Eve, totally ditching his Bro, Phil, who had Knicks tickets. Courtside. Long story short, humankind became self-aware, paradise was lost, and well, we all know what happened to the Knicks.*

---

## ❧ ARTICLE 2 ☙

*A Bro is always entitled to do something stupid, as long as the rest of his Bros are all doing it.*

NOTE: Had Butch Cassidy come charging out of that cabin alone, people would have been like, “Dude, come on.” If only one Spanish dude had decided to run down the street in front of a bunch of angry bulls, people would’ve been like, “Dude, come on.” If only Tommy Lee had worn eyeliner in the early days of Mötley Crüe, people would have been like, “Lady, come on.” The license to be stupid is why we have Bros in the first place.

---

## ⌚ ARTICLE 3 ⌚

*If a Bro gets a dog, it must  
be at least as tall as his knee  
when full-grown.*

**COROLLARY:** Naming a lapdog after a pro wrestler or a character from a Steve McQueen movie does not absolve a Bro from the spirit of this article.

---

## ❖ ARTICLE 4 ❖

*A Bro never divulges the existence of the Bro Code to a woman. It is a sacred document not to be shared with chicks for any reason . . . no, not even that reason.*

**NOTE:** If you are a woman reading this, first, let me apologize: it was never my intention for this book to contain so much math.

Second, I urge you to look at this document for what it is—a piece of fiction meant to entertain a broad audience through the prism of stereotypical gender differences. I mean, sometimes it really *is* like we’re from different planets! Clearly, no real person would actually believe or adhere to the vulgar rules contained within.\* Those boots are adorable, b-t-dub.

---

\* Psst—hey, guys! I put this in really small type at the bottom since we all know men have much better vision than women. Ignore the above—the Bro Code is definitely *not* a piece of fiction. I was simply lying to uphold this very article.

---

ARTICLE 5

*Whether he cares about sports  
or not, a Bro cares about sports.*

---

## ❖ ARTICLE 6 ❖

*A Bro shall not lollygag if he must get naked in front of other Bros in a gym locker room.*

**COROLLARY:** If a Bro gets naked in the locker room, all other Bros shall pretend that nothing out of the ordinary is happening while, at the same time, immediately averting their eyes. When in doubt, remember the old adage: "If a towel drops to the floor, so should your eyes."

---

ARTICLE 7

*A Bro never admits he can't drive stick. Even after an accident.*

---

## ARTICLE 8

### *A Bro never sends a greeting card to another Bro.*

There are no sentiments between Bros that cannot be articulated through the convenience and emotional distance of electronic mail. The following are a few emails for any Brocassion that succinctly get the message across without costing you the trouble and expense of having to find and then send an actual greeting card.

## ❖ ARTICLE 9 ❖

*Should a Bro lose a body part due to an accident or illness, his fellow Bros will not make lame jokes such as “Gimme three!” or “Wow, quitting your job like that really took a lot of ball.” It’s still a high five and that Bro still has a lot of balls . . . metaphorically speaking, of course.*

---

## ARTICLE 10

*A Bro will drop whatever he's doing and rush to help his Bro dump a chick.*

It's normal for a Bro to get confused and disoriented when dumping a chick. For some reason he's worried she'll become agitated or even violent after he calmly explains his desire to have sex with her friends. This is when a Bro most needs his Bro to remind him that there are plenty of chicks in the ocean, and that a breakup need not be hazardous, stressful, or even time-consuming.

### SIDE-BRO: HOW TO DUMP A CHICK IN SIX WORDS OR LESS

*"Maybe try a side salad instead."*

*"Cute! You're growing a mustache, too!"*

*"She looks like a younger you."*

*"I will finance a boob job."*

*"Sorry I threw out your shoes."*

*"Your sister let me do that."*

---

## ❧ ARTICLE 11 ☙

*A Bro may ask his Bro(s) to help him move, but only after first disclosing an honest estimate on both time commitment and number of large pieces of furniture. If the Bro has vastly underestimated either, his Bros retain the right to leave his possessions where they are—in most cases, stuck in a doorway.*

---

❧ ARTICLE 12 ☙

*Bros do not share dessert.*

ARTICLE 14

*If a chick inquires about another Bro's sexual history, a Bro shall honor the Brode of Silence and play dumb. Better to have women think all men are stupid than to tell the truth.*

---

❧ ARTICLE 15 ☙

*A Bro never dances with his  
hands above his head.*

---

## ❧ ARTICLE 16 ❧

*A Bro should be able, at any time, to recite the following reigning champions: Super Bowl, World Series, and Playmate of the Year.*

---

## ARTICLE 17

*A Bro shall be kind and courteous to his co-workers, unless they are beneath him on the Pyramid of Screaming.*

America was built on the backs of men and women who were yelled at to work harder, and the tradition has been screamed from generation to generation. But you can't just scream at anybody . . . you can only scream at those beneath you. To illustrate how it works, here's the Scream Pyramid for a professional football team:

---

It's no different inside the office, as exemplified by my own corporate Scream Pyramid:

Here is a blank Scream Pyramid for you to fill in. If you're not sure where you fit, you can always trick a Bro-worker into screaming at someone and then see where the pieces fall. That's how I figured out I was above the VP of Synergy.

---

**IMPORTANT NOTE:** If you find yourself at the bottom, don't fret. The beauty of the pyramid is that you can always add a layer to the foundation. The janitorial crew, the sleepy-eyed security man, or anyone who doesn't speak English is a great place to start.

---

## ❖ ARTICLE 18 ❖

*If a Bro spearheads a beer run at a party, he is entitled to any excess monies accrued after canvassing the group.*

NOTE: To avoid confrontation, it's a good idea for the Bro to jettison the receipt before returning to the party.

---

## ARTICLE 19

*A Bro shall not sleep with another Bro's sister. However, a Bro shall not get angry if another Bro says, "Dude, your sister's hot!"*

**COROLLARY:** It's probably best for everyone if Bros just hide pictures of their sisters when other Bros are coming over.

### CHECKLIST FOR BRO-PROOFING YOUR HOME

- Hide all pictures of hot sisters, moms, and first cousins.
- Open liquor bottles and dust the bar area to give the impression you actually use it.
- As a courtesy, move printed porn from the bedroom to the bathroom.
- Scan DVR playlist and remove embarrassing television programs like daytime talk shows.
- Open all windows.
- Display all remote controls on the coffee table, regardless of functionality.
- Disconnect answering machine, or . . .
- Call Mom an hour before your Bros arrive.
- Coasters, coasters, coasters!
- Sign out of email account.
- Usher girlfriend/booty call off the premises.

---

## ARTICLE 20

*A Bro respects his Bros in the military because they've selflessly chosen to defend the nation, but more to the point, because they can kick his ass six ways to Sunday.*

---

ARTICLE 21

*A Bro never shares observations about another Bro's smoking-hot girlfriend. Even if the Bro with the hot girlfriend attempts to bait the Bro by saying, "She's smoking-hot, bub?" a Bro shall remain silent, because in this situation, he's the only one who should be baiting.*

---

## ❧ ARTICLE 22 ❧

*There is no law that prohibits a woman from being a Bro.*

Women make excellent Bros. Why? Because they can translate and navigate the confusing and contradictory whims that comprise the Chick Code.

### DO CHICKS REALLY HAVE THEIR OWN CODE?

Yes, I'm afraid so. One morning, just before slipping out the door while my hostess was in the shower, I happened upon a copy of the rumored tome. I didn't have time to flip much past the pink bedazzled cover, but here are some of the phrases I remember seeing on the frilly pages within:

- A chick shall not sleep with another chick's ex-boyfriend, unless she does.
- A chick never pays for anything. Ever.
- If two chicks get into a fight, they shall make catty remarks and pretend to ignore each other, rather than simply stripping down and wrestling it out.

- If a chick hears a chick-empowerment song like “I Will Survive,” she shall stop whatever she’s doing, grab another chick’s hand, and shriek the lyrics at the top of her lungs.
- A chick may get a dog as a pet, but only if it fits in her mailbox.
- If two chicks are wearing the same outfit, each retains the right to accidentally spill a drink on the other.
- A chick shall not operate a motor vehicle in a safe manner.
- A chick has a free pass to slut it up on Halloween.

---

ARTICLE 23

*When flipping through TV channels with his Bros, a Bro is not allowed to skip past a program featuring boobs. This includes, but is not limited to, exercise shows, women's athletics, and on some occasions, surgery programs.*

---

## ARTICLE 24

---

*When wearing a baseball cap,  
a Bro may position the brim at  
either 12 or 6 o'clock. All other  
angles are reserved for rappers  
and the handicapped.*

---

## ARTICLE 25

*A Bro doesn't let another Bro  
get a tattoo, particularly a  
tattoo of a girl's name.*

The average relationship between a man and a woman lasts eighty-three days. The relationship between a man and his skin lasts a lifetime and must be nurtured, because as we all know, the skin is the largest and second most important organ a man has.

If I spoke or read this particular language, perhaps I could explain my perspective more clearly, but I guess you'll just have to take the scary-looking tattoo artist's word for it. I know I did."*

❖ ARTICLE 27 ❖

*A Bro never removes his shirt in front of other Bros, unless at a resort pool or the beach.*

**COROLLARY:** A Bro with a coat of fur on his back keeps that thing covered at all times, even at a resort pool or the beach. Sorry, Bro.

---

## ARTICLE 28

*A Bro will, in a timely manner, alert his Bro to the existence of a girl fight.*

A Bro must, in a timely manner, communicate the possibility of fisticuffs between two humans of the female variety (Henceforth “girl fight”), in an effort to make possible and probable that another Bro or Bros can partake in observation. A “timely manner” is open to interpretation based on the initial Bro’s viewing and processing of the potential feminine conflagration. Said Bro must use any and all methods of media distribution at his disposal, including but not limited to: telecommunications, elbow nudging, carrier pigeons, fiber optics, shouting, postcards, and telepathy. If an informed Bro is unable to witness the girl fight firsthand, the spotter Bro is responsible for documenting and relating details of the girl fight via pictures, video, or, barring any other reasonable method, interpretive dance and/or pantomime.

### SIDE-BRO: ASK UNCLE BARNEY

**Q:** *I'm confused—if a woman gives me her phone number, doesn't that mean she wants me to call her? Why do I have to wait so long?*

**A:** **Broflation**—an unreasonable increase in female expectations about how Bros should act. You call a woman the next day, she tells her friends you called the next day, and soon enough, women everywhere will expect guys to call them the next day. Before you know it, Bros the world over will find themselves trapped in relationships, and all because you couldn't wait ninety-six little hours.

---

**Q:** *Okay, I've waited ninety-six hours. When's the best time of day to call?*

**A:** Call during the middle of the day. You'll have a better chance of catching her voice mail, which ultimately means less conversation. With any luck you'll be able to set something up without ever having to talk to her. Note: Never call after 9 PM—late-night phone calls are the province of the booty call, and only the booty call. See Article 92 for further elaboration.

**Q:** *I've always heard you wait three days? Why does the Bro Code specify four?*

**A:** If you've always heard that a Bro should wait three days before calling, you can bet that women have, too. By waiting an extra day, you can make a chick feel special.

When a chick meets a Bro, there are three things she wants to know:

1. How much money does he make?
2. Is he shorter than her?
3. How many chicks has he banged?

Eventually, she will figure out the first two, but a Bro never answers the third question. If, however, a Bro feels compelled to answer (i.e., sex is being withheld until he supplies a tally), he can calculate an acceptable number using the following formula:

### HOW MANY CHICKS IS IT SAFE FOR A BRO TO SAY HE'S BANGED?

$$n = (a/10 + s)^0 + 5$$

*n* = number of chicks

*a* = Bro's age

*s* = inquiring chick's slut factor (1 = nun, 10 = former nun)

## ARTICLE 63

### *A Bro will make any and all efforts to provide his Bro with protection.*

**B**protection forms a central pillar—or, more accurately, a latex coating for the central pillar—of the Bro way of life. While a Bro is not legally or fiscally responsible for any repercussions of failing to provide protection, it's not uncommon for a Bro to experience pangs of guilt after a fellow Bro becomes infected with a disease, many of which can last an entire lifetime, like when a Bro contracts children.

In the event that one Bro finds himself lacking the prophylactic accoutrements needed to complete the act of coitus in a safe and effective manner, he is in the right to expect another Bro to use all measures within or without his means to provide the aforementioned prophylactic in a timely yet discreet fashion. When a Bro signals his need using previously agreed upon code words and/or body signage, it is understood that his Bro will discontinue all present activity (except the act of coitus itself—whereby the Bro vows to finish as quickly as possible), in order to respond with a panoply of options at the Bro in need's location. A Bro must utilize the most rapid method of transportation available while endeavoring to assist his Bro. In no instance may a bicycle\* be used as this is not only humiliating but also potentially harmful to the perineum—a zone of tissue perilously adjacent to the sexual organs. In the event that a state, federal, international, or galactic law is breached due to recklessness, unacceptable levels of speed, and/or the hijacking of airborne vehicle(s), it is understood that the primary Bro will shoulder any associated legal fees or fines. However, any costs or damages incurred from the use of public transportation are the responsibility of the secondary Bro alone as this is an instance of *Quid Pro Bro*. Upon arrival at the primary Bro's location, the secondary Bro must exercise complete discretion so as not to disrupt the primary Bro's "flow," or *Brojo*. Once the primary Bro has been supplied with the necessary prophylactic(s), the *Brocedure* is deemed complete upon exchange of the traditional, though in this case silent, high five. Tacit in this unspoken ritual is the understanding that said episode will never be mentioned again, unless it's part of an awesome story.

*When a Bro meets a chick, he shall endeavor to find out where she fits on the Hot/Crazy Scale before pursuing her.*

The theory of evolution alleges that men evolved from monkeys . . . but what about women? It seems that as men became less hairy, more upright, and less interested in throwing their own poo, women became more attractive but somehow *more* crazy.

Today's chicks like to straddle the line between hot and crazy: the hotter they are, the crazier they are; the crazier they are, the hotter they seem. All of this is confusing to a Bro and, very often, dangerous. How is a Bro to know whether a chick is hot and crazy in a "let's duck into the bathroom" kind of way, or hot and crazy in a "let's huff paint and stalk your ex-girlfriends" kind of way?

Fortunately, I've devised a test that allows Bros to quickly determine where a chick fits on the Hot/Crazy Scale. Answer yes or no to each question in the columns, add up your "yes" answers, and then plot the coordinates on the Hot/Crazy Scale. Ideally, your chick is right on the line, but if she's anywhere above it, run away.

### DON'T

### WHY?

Buy her anything . . . not even a drink.	Gifts imply consideration and forethought—a booty call should never feel like more than a reflexive impulse, like a sneeze or a gag.
Refer to your booty call as your “booty call.”	Some human beings—particularly women—like to think there’s more to sex than sex.
Stick around after sex.	A booty call is strictly business. Once the transaction has taken place, anything else is superfluous, inefficient, and awkward.
Call again if your booty call doesn’t respond that night.	Two calls imply something bad has happened: like you’ve been diagnosed with an STD or want to take her out on a date.
Call more than twice a month.	In some countries, this is considered marriage.
Think about her before midnight.	Idle thoughts can lead to a relationship.
Agree to meet on any other night than when you call.	That is called a date.

The Bro did this a couple of times because he thought it was hysterical—and it kind of is—until one night he walked into the bar to discover a Hawaiian Tropic calendar shoot taking place. The Bro texted his Bros in terror: “Dudes, seriously need a wingman right now . . . hot-chick calendar shoot!” But this time his Bros paid no heed to his cry, nor did they leave their video game marathon to assist him. Be it here resolved that at no point is it permissible for one Bro to engage in carnal delicacies with another Bro's mother. It is, however, allowed and encouraged for one Bro to graphically suggest to a Bro the athletic feats, animalia, and/or machinery utilized during a fictional encounter with his mom. (Nota bene: It is customary for a Bro to avoid such Brocularity if his Bro's mom is a nine or better, for fear of Oedipal inducement.) Should a Bro discover his Bro is adopted, he is free to pursue his Bro's adoptive mother, but only after first corroborating nonbiological parentage through notarized birth certificates, hospital records, or comparative deoxyribonucleic acid gel electrophoresis, whichever is most convenient.

*A Bro will always help another Bro reconstruct the events from the previous night, unless those events entail hooking up with an ugly chick or the Bro repeatedly saying “I love you, man” to all his Bros.*

**M<sup>AC</sup>**—Memory Assistance and/or Correction—often comes into play around the holidays because when people gather together with loved ones, the need to drink alcohol increases exponentially.

Halloween is a time when Bros are especially susceptible to memory loss due to the lethal combination of abundant sweet things, liquor, and of course, candy. In fact, one year I awoke with four new phone numbers but no idea who gave them to me. Fortunately, based on the times I saved the numbers into my phone and a few hazy memories of the four different costumes I wore at the party the night before, I was able to create a logic matrix.

I dressed up as a Viking, a ninja, Teddy Roosevelt, and of course my old standby, Gandhi, and in each costume I picked up a different chick: a slutty nun, a slutty Cinderella, a slutty slut, and a slutty some-kind-of-creature with ears and a tail.

---

To work the puzzle, put an “X” in the box when you’ve ruled it out based on the clues. For example, Clue 1 says I didn’t wake up in my ninja costume, so the Ninja/2:21 AM box is already crossed out.

*Hint:* Some clues will allow you to put an “X” in more than one box.

### WHAT I REMEMBERED

1. I didn’t wake up in my ninja costume, but I know I ended the night with some tail.
2. The slutty slut was gone by November 1, so she missed my scrumptious Gandhi . . . she too would go hungry.
3. Both Cinderella and the nun were intrigued by my sword. I was still seeing throwing stars as I changed into my Viking costume.
4. When I first entered the party, I spoke softly to hotties and showed them my “big stick.” Politically speaking of course—I was dressed as Teddy Roosevelt.
5. I got Cinderella’s number early. I was afraid her melons would turn into pumpkins at midnight.

	Slutty Cinderella	Slutty Slut	Slutty Ears/Tail	Slutty Nun	9:42 PM	10:56 PM	12:03 AM	2:21 AM	
Viking									9:42 PM
Roosevelt									10:56 PM
Ninja								X	12:03 AM

Since the dawn of man, Bros have spoken in hushed tones about a wingman with powers so awesome, one wink could summon a dozen hotties to your side. I'm speaking, of course, about the **wingwoman**. Think of it—if your wingman already knows what women want to hear, isn't that an advantage far greater than having a lot of money, a full head of hair, or even a speedboat? Yes, and the best part is that wingwomen do exist. To acquire one, though, you'll need to overcome the sexist misconceptions that so often scare chicks away from helping Bros bang other chicks.

#### THE WINGWOMAN: TRUE OR FALSE?

A wingwoman has to pee too much.	<b>False</b> A chick's bladder is smaller but easier to control. How else can a theaterful of chicks sit through <i>The Lake House</i> ?
A wingwoman never buys drinks.	<b>True</b> But your expenses are offset by other dudes buying her drinks.
A wingwoman is distracted by gossip.	<b>False</b> What Bros see as just high-pitched prattle, women read as a complex discussion held secretly in body language.

### AMENDMENT II

**O**kay, if a Bro desperately needs to stash his porn somewhere, he *is* allowed to show up uninvited at his Bro's door with a box of porn, *even if* his Bro is living with a chick. Since the Bro's connection with his porn undoubtedly constitutes an older and more meaningful relationship, the box of porn is afforded right of way over the live-in girlfriend, despite the box of porn's inability to get super pissed and withhold sex for the night.

## VIOLATIONS

Violations of the Bro Code may result in a fine of up to \$250,000 or in some cases, permanent **dis-Broment**. Unresolved disputes over the Bro Code may be submitted via email to the International Court of Bros at [barneystinson@barneysblog.com](mailto:barneystinson@barneysblog.com), provided such disputes include pictures of the chicks involved. But only if they're hot—the chicks, not the disputes.

There is no greater affront to the spirit of the Bro Code than a willing violation. While occasionally a Bro may err due to inebriation, a momentary lapse of judgment, or if a chick is so hot that other Bros would say “he didn’t really have a choice,” any premeditated infraction of the Bro Code is inexcusable. When a Bro violates the Bro Code, he hurts not only his Bros but also himself, because he is no longer Bro worthy.

It’s important to note that there are no tenets of the Bro Code that cannot be discussed in confidence with another Bro, and I would urge a Bro to seek permission from another Bro before doing something, or someone, that he feels might violate this sacred code. Note: A great time to get that permission is when your Bro is super drunk . . . like almost passed out.

If and when a violation occurs, a Bro has the right to administer the offending Bro a level of punishment befitting the infraction. He may choose from the Approved Punishments list.
